

# isaiah 40:28

Which picture is most like the people Isaiah is talking to?  
(you can colour them all in too!)

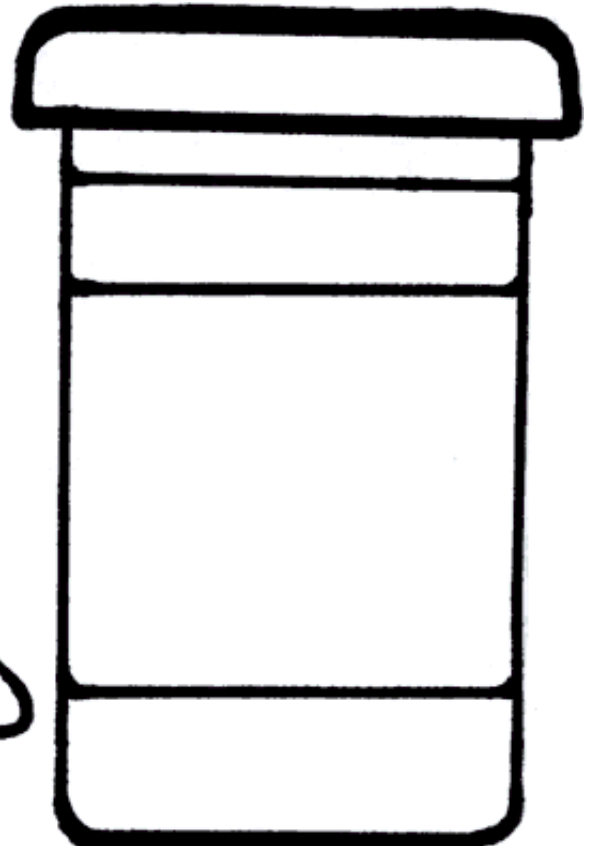

What things can make us tired and sad in life?  
(write and draw some ideas in the box below)

Isaiah says what we really need is to know God more & more

(a silly way of remembering this is that we need is "Vitamin-G"!)

(Decorate your own Vitamin G pot )
